# 1: About Us

Superstars currently run breakfast and after school clubs at 6 other primary schools (Mountsorrel, Wymeswold, Quorn, Burton on the Wolds, Long Clawson and North Nibley) running every school day for 4-11 year olds. Working inside primary schools we benefit from the security and the indoor and outdoor space that gives us. We are fully Insured and Ofsted registered, providing a safe and fun social environment for your children to enjoy with excellent resources and dedicated staff, who are all either qualified to a minimum of a level 3 in childcare or continuing their professional development. The Hose club opened in June 2015, you can register your children using the forms in this document and if you have any queries you can contact Caroline on (07496) 866965 who will be happy to help you or email [hose@super-stars.co.uk](mailto:hose@super-stars.co.uk) .

We work hard to make the clubs a place your children will enjoy, filling them with lots of excellent resources and caring staff and also aiming to ensure that the care is affordable to parents and flexible enough to meet your varied different needs. Unlike many competitors we allow sessions to be swapped, added or cancelled at short notice (only needing 24 hours notice to avoid being charged\*) and we give discounts for full time bookings in any given week too (e.g. Every breakfast for a full week, every after school session for a full week). We accept 'Childcare Voucher' payments too for those who's employers offer the facility and have worked to ensure we are at least as cost effective as our competition, if you would like a quote or to discuss this (as we want our service to be affordable to all if possible) please call Caroline on (07496) 866965, or call Jon on (07896) 796363, or Kristy on (07817) 612995 who will be happy to help.

We welcome feedback and visits by interested families at any time and we hope this booklet helps provide you with the information you need. Thank you for taking the time to consider us.

## 2: Breakfast at Superstars

At our breakfast club we like to start getting ready for the school day in a relaxed and inviting way, getting the children well fed, lively, playing with friends and ready for school. Because we cater for lots of children we can offer a broad range of choices including bagels, croissants, malt loaf, fruit loaf, waffles, pancakes, toast, muffins, crumpets, fruit, yogurts, cereal and a range of juices plus milk and water too. Children are encouraged to eat healthily, but we like to encourage them to try new things too.

We ensure a wide range of toys are available so they can come in, anytime from 07:30 onwards to play with friends and have fun, eating from a wide variety but being encouraged to eat healthily at all times too. (Please remember to take extra care if parking near the school as other children may be being dropped off or picked up and please consider our neighbours if dropping off or collecting children too).

Sessions can be booked in advance and even at short notice (once your child is registered) and we welcome parents with changeable working patterns too, aiming to fit people in anytime if needed. Managers will be happy to take short notice bookings if we have room (provided we are still within the required staff / child ratio). Although managers are not paid to answer calls in their own time we will always respond when we can if they are not available. To book a session or find out more please call the club on (07496) 866965, or contact Jon on (07896) 796363 and we will be happy to help.

## 3: Our After School Club

After school we know children need to relax, let off steam and spend time socialising with friends. At Superstars we believe strongly that the time to develop socially once the school day has finished is very important. We provide an environment where children are encouraged to share, be kind and consider each other's feelings while having a wide range of choices of indoor and outdoor games and activities.

We provide everything from a selection of art and crafts to computers, iPads, Lego, table football, pool / snooker, cars & trains, radio controlled toys, construction toys, dolls, creative toys and much more, we also encourage group games and playing together whilst always letting the children choose what they want to play or do themselves (not letting them stay at one thing for too long but giving a wide range of choices to help encourage their independence).

Our staff get to know each of the children, ensuring they can play freely, are kept safe and secure and well entertained. We hope once your children try the club they will be asking to come again (and we welcome interested parents for visits too), simply contact the team and we will be happy to help.

When collecting children from the after school club please remember other children may be being collected and to take extra care if parking near the school.

## 4: Holiday Club

We run one club centralised at the Mountsorrel school at the moment to cover holidays, running from 07:30 to 18:00 every week day. This means we can take advantage of the safe outdoor and indoor space and also benefit from the large number of resources there (Mountsorrel being our longest

established and largest club to date, although we are keen to provide a more local club for Hose as soon as demand is high enough).

With a large play area in the school hall to enjoy, we get out the 'Hornby', 'Scalextric', a huge range of creative arts and crafts, board games and puzzles, small world, dolls, cars, the Wii (with a broad games selection), Lego, dominoes and much more, enjoying activities like baking bread, painting and messy play when we can't get outside. When we do get outside the children get to run, build dens, race radio controlled cars, skip, chalk and generally play. Staff are vigilant to ensure nobody gets too competitive and play is kept within reasonable bounds but the aim is always to let them be themselves as much as possible.

Our holiday club runs every holiday at Mountsorrel school except Christmas holidays and one week in August (to allow the school to perform a deep clean) and bank holidays. Flexible bookings are welcome and all activities, food and refreshments from breakfast through to an early evening light meal are provided at no extra cost (see prices information in section 5).

## 6: Help Towards Childcare Costs

### **Childcare Vouchers or Tax Credits:**

We are Ofsted registered at each club and signed up to most major 'Childcare Voucher' providers (if we aren't signed up to yours then simply let us know and we will sort it out for you). Most people have access to either help from tax credits or Childcare vouchers through their employer which can help you save from 25-70% of your total Childcare cost. If you are at all unsure please ask, we work hard to ensure the clubs are affordable and encourage everyone to get any help they are entitled to in order to make it as cost effective as possible for all families.

### **Price Promise:**

We continually strive to ensure Childcare is cost effective for you, we have a child centred approach and reinvest everything we can back into the clubs and children and hope you will take the time to compare us to other providers too. If you find a registered Childcare provider offering a comparable service for a better price (and can provide some evidence of this) then please let us know. We can't charge less than we need to cover our overheads, but we want to be affordable to everyone and don't want to be beaten on price having made clubs we hope your children will love!

### **Bookings & Cancellations:**

Bookings can be made or changed up to 24 hours before the booking takes place without any charge to yourselves (by telephone or text only, please do not email short notice cancellations or bookings as they may not be seen in time). You are not made to pay for days you don't require (if cancelled in time) and we welcome occasional or 'one off' use too!

# 7: Invoicing, Terms & Conditions

## **Invoicing:**

Invoicing is done towards the end of each month period in arrears to ensure flexible booking arrangements can be accommodated, the invoice is due for payment upon receipt (and as we are only a small company prompt payment is appreciated). In the event that you are unable to pay for any reason or facing financial difficulty please let us know. We can not provide childcare without receiving payment but we promise to treat any such issue with complete confidentiality and to try to help if we possibly can. Any regular booking under this agreement can be cancelled by you with 24 hours notice if you lose your employment or are unable to make payments.

## **Registration Deposit:**

As we invoice in arrears at the end of each month to provide total flexibility for parents we have to charge a deposit payment of £50 (per family) on registration. This can be applied against your final bill when you stop using the club.

## **Terms and Conditions:**

By signing the club registration form you understand that you agree to the charges as set out in this document, our policies on late pick up and the service being offered. You also understand that, whilst we will make every effort to work with anyone facing personal or financial issues, Superstars retains the right to recover any monies owed under this agreement should it become necessary. In the unlikely event that you refuse to pay and will not communicate with us about the outstanding debt, Superstars retains the right to stop the use of the club. Your details are never shared with any external companies for any reason (unless required by law as part of a legal investigation).
